Key Insights

1. **Manchester City** won the **2023/24 Premier League** with **91 points**, followed by **Arsenal**.
2. **Man City, Arsenal, Liverpool, and Aston Villa** secured **Champions League spots**.
3. **Tottenham, Man United, and Chelsea** qualified for the **Europa League**.
4. **Luton Town, Burnley, and Sheffield United** were **relegated** to the second division.

1. **Manchester City** scored **96 goals**, followed by **Arsenal with 91** and **Liverpool with 86**. **Newcastle United** surprised with 85 goals, finishing 8th last season.
2. **Sheffield United and Luton Town** conceded the most goals, won few matches, and were relegated as a result.
3. **Liverpool** had the highest expected goals percentage at 87%, while **Sheffield United** had the lowest.
4. **Chelsea, Manchester City, and Arsenal** each scored 10 goals from penalties.
5. The **'4-2-2-2'** formation had the highest win percentage, followed by the **'4-3-3'** formation.

1. **Manchester City:** **Manchester City** won their fourth consecutive title, showcasing their dominance. **Pep Guardiola's** brilliance as a coach was evident, while **Erling Haaland** was the top scorer with 27 goals, earning the Golden Boot. **Kevin De Bruyne** led in assists, and **Rodri**, with the most minutes played, was a key player for the team.
2. **Arsenal:** Despite finishing second again, Arsenal had a strong season under **Mikel Arteta's** coaching. **Bukayo Saka** was their top scorer, and **Martin Ødegaard** provided the most assists.
3. **Liverpool:** **Liverpool** secured third place, but it marked **Jürgen Klopp's** final season. **Mohamed Salah** continued his remarkable form, leading in both goals and assists for the team, while captain **Virgil van Dijk** played the most minutes.
4. **Chelsea & Manchester United:** Both **Chelsea** and **Manchester United** had disappointing seasons, as neither team managed to secure a spot in the Champions League.

THANK YOU !
